

Guest Speaker

Maj Sam "2guns" Blakely

Maj Sam "2guns" Blakely is a combat US Air Force Instructor/Evaluator Pilot in the B-52H Stratofortress with experience Advising Air Operations in the Afghan Airforce's C-208 Caravan. He is an AIAA lifetime member and serves on the Weapons System Effectiveness Technical Committee. He holds a BS in Astronautical Engineering, a MS in Nuclear Engineering, and certificates in Hypersonics and Nuclear Weapons Effects Policy and Proliferation.

This presentation addresses officer and military aviation careers, as well as the past, present, and future history of the B-52 platform. It substantiates how the most current 1960/61 models are still relevant; both now and into the 2050s.

Dinner Meeting

August 28th, 2019
