

**San Fernando Pacific  
Executive Council Status (By E Mail)  
01 April 2023**

**Chairman's Report/Honors and Awards – Dean Miller**

- Due to the Coronavirus shutdown, there have been no inside council meetings.
- There is a face-to-face planned AIAA RAC VI meeting Apr 22, 2023, locally. I am planning on attending.
- We are planning on a Zoom technical meeting in the Apr-May 2023 time frame from the Edwards museum staff.
- Ryan Reynolds is leaving the area in May, 2023. We will dearly miss him. I would like to thank him for the dedicated job he did for us in Vice-Chair Membership for the last few years. If any Council members are interested in taking on the Membership Vice-Chair Position, let me know. The tasks are as follows: integrate section programs into all section activities, contact lapsed members and encourages them to renew, and represents the section recruits new members at local aerospace events.
- Here are the council members photos and e-mails:

Elections held in June, 2021

**Treasurer's Report– Melessa Onishi**

- There is \$2738 in the bank. The AIAA financial issues are discussed in the Chairmen's report. Budget looks OK. Melissa, if you would send me a balance each month, I would appreciate it. Thanks!

**Membership Report- Ryan Reynolds**

February 2023

- 271 Professionals (No change from January)
- 22 Educators (+1 from January)
- 71 College Students (+6 from January)
- 78 High School Students (+19 from January)

Statistics/Observations 2023-02

- 53 membership reminders sent this month.
- Total Section Population is 442.

**Precollege Outreach/Web Site – Corinne Cho**

The AIAA San Fernando Pacific Section, which represents the San Fernando Valley, Ventura County, and Hawaii, sponsors an annual essay scholarship contest for graduating high school seniors who plan on a career in a STEM field. As mentioned in the Chairman report in Jan 2023, we are planning on this year's essay contest, but the total awards is \$1000 instead of the usual \$2000. This is due to AIAA budget issues. This year's essays are due April 15, 2023.

### **Unfinished Business**

We're looking for new speakers/subjects and tours. We have been hampered lately by the coronavirus. We need to work on getting more members for the meetings and tours. The meetings with ASME and students are helping. The next status report is planned for May 2023.
