

## AIAA Tucson Section - Members Meeting #2

### AIAA Tucson Section Announces

*Correction on the start time.*

**We cordially invite you  
to attend our next  
Members Meeting!**

**Date: Monday,  
Nov 9, 2020  
Time:  
6:30pm to 7:30pm**

**Greatest Opportunity for **Networking!****

**Join the Game between  
GNC versus Mechanical**

**Win Prizes!**

**Join ZOOM Meeting: [ZOOM](#)**

**Meeting ID: 979 1460 5962  
877 853 5257 US Toll-free  
888 475 4499 US Toll-free**

## **NASA JPL Online Education Events**

**WEDNESDAY, NOV. 11, 2020**

**11-11:30 A.M. PST (2-2:30 P.M. EST)**

Webinar: Learning Space With NASA Live Stream

- Studying Earth From Space

Audience: K-8 Classrooms and Students

Location: Online-[Learning Space With NASA at Home](#)

Overview: In this webinar for students, JPL education specialists will talk about how NASA studies Earth from space and how it relates to what students are learning right now, plus we'll answer questions submitted by during a live Q&A. Note: You do not need to register to attend.

' Register your students or classroom to join live Q&A

' Explore home-learning resources

**WEDNESDAY, NOV. 11, 2020**

**3-4 P.M. PST (6-7 P.M. EST)**

Webinar: Teaching Space With NASA - Exploring Earth's Oceans and Beyond

Audience: Formal and informal educators, all audiences welcome

Location: Online - [Teaching Space With NASA](#)

Overview: In this one-hour education webinar, experts from NASA and the Exploration Vessel Nautilus, currently at sea, will discuss how scientists are exploring the unknowns of Earth's largely unmapped and mysterious oceans. Note: You do not need to register to attend.

' Register to join live Q&A

\*Resources related to this workshop coming soon. Check the Teaching Space With NASA page for updates.

**SATURDAY, NOV. 14, 2020**

**10-11:30 A.M. PST (1-2:30 P.M. EST)**

Workshop: Teaching Oceanography and Earth Science

Audience: U.S. teachers for grades K-12

Location: Online - Webex link will be provided to registered participants

Overview: In this virtual workshop, we will connect with the Exploration Vessel Nautilus, currently at sea, to discuss activities for the science classroom, focusing on oceanography, climate science, and geology. Participation is limited and available on a first-come, first-served

basis. Registration is required.

' Register to attend
