Chairman's Report/Honors and Awards – Dean Miller

- Due to the Coronavirus shutdown, there have been no inside council meetings.
- The SFP Annual Section Report for 2022-2023 was completed and submitted on time, many thanks to Corinne's help.
- We are thinking of having Jim Brown, fighter pilot, back as our speaker this fall on flying the Russian Mig Fighter. He has volunteered.
- Here are the council members photos and e-mails:

The AIAA San Fernando Pacific Section, which represents the San Fernando Valley, Ventura County, and Hawaii, sponsors an annual essay scholarship contest for graduating high school seniors who plan on a career in a STEM field.

Unfinished Business

We're looking for new speakers/subjects and tours. We have been hampered lately by the coronavirus. We need to work on getting more members for the meetings and tours. The meetings with ASME and students are helping. The next status report is planned for July 2023.
