It was nice walking the grounds with Mike Hotto, who just earned his Pilots License. Mike stood proudly under the Wright Flyer at Pima Air & Space Museum for a photo. *Congrats Mike Hotto!*

****** Postpone until after the Holidays ******

AIAA Tucson Section will need to postpone this event until after the Holidays because most of you are focused on other things. In due time, your Leadership Council will offer you a fabulous family friendly event. Keep your eyes peeled on our announcements. There will be a limited seating and we plan to offer art kits.

Call for Presenters

Tucson Section will host another **Technical Mini Conference** and we are asking for our members to offer a 20 minute presentation allowing 10 min for Q&A.

Please let us know and email tucsonaiaa@gmail.com.

Date: Saturday, January 9, 2021

Time: TBD

More information will follow.

If you have any questions, please email me at tucsonaiaa@gmail.com.

Regards,

Michelle Rouch
