

**San Fernando Pacific
Executive Council Status (By E Mail)
18 March 2022**

Chairman's Report/Honors and Awards – Dean Miller

- Due to the Coronavirus shutdown, there have been no inside council meetings.
- Dr J. Nazzal was our speaker March 3, 2022 for a ZOOM event on Michael Collins, A Life Well Lived.
- We are working on another event for this May 12, 2022, "The Development of The Flight Control of the F 117" by Robert Loschke. We're thinking of having the High School STEM Essay Awards at the same event.
- Here are the council members photos:

- 10 High School Students (No change from January)

Statistics/Observations 2022-02

- 32 membership reminders sent this month.
- Total Section Population is 421.

Precollege Outreach/Web Site – Corinne Cho

The AIAA San Fernando Pacific Section, which represents the San Fernando Valley, Ventura County, and Hawaii, sponsors an annual essay scholarship contest for graduating high school seniors who plan on a career in a STEM field. The subject for this year's essay contest is: should the US Space Ship go to the Moon first and then to Mars or go directly to Mars. Select your choice and state the reason.

Unfinished Business

We're looking for new speakers/ subjects and tours. We have been hampered lately by the coronavirus. We need to work on getting more members for the meetings and tours. The joint meetings with ASME and students are helping.

Next meeting: Status Report April 2022.
