Groups of 3 was ideal and a wonderful way to network! It was nice walking the grounds with Steven Smith and hearing him talk about flying in the F-111 and also getting to know Peter Olejnik. *Thanks Guys!*

### Next Field Trip

Come and join us at Pima Air & Space Museum on Saturday, December 5th and show your AIAA Pride! The Museum offers a great and safe experience. Plenty of room for physical distancing. We ask you to read the [Museum's Safety Precautions](#). When you arrive to the museum, they open the doors for you. Public bathrooms are available. The museum is also Pet friendly. Unfortunately, the restaurant is closed. This is a self pace museum to enjoy and a great place to bring your family.

**Date: Saturday, December 5**
