

Hi,

You have signed up for the Tuesday, March 15, meeting with Ms. Kathy Laurini, NASA Senior Advisor, Exploration and Space Operations presenting “The Future of Human Space Exploration: Challenges and Opportunities” at the Hofstra University Student Center Theatre.

Time:        6:00 PM   Social Time  
               7:00 PM   Presentation

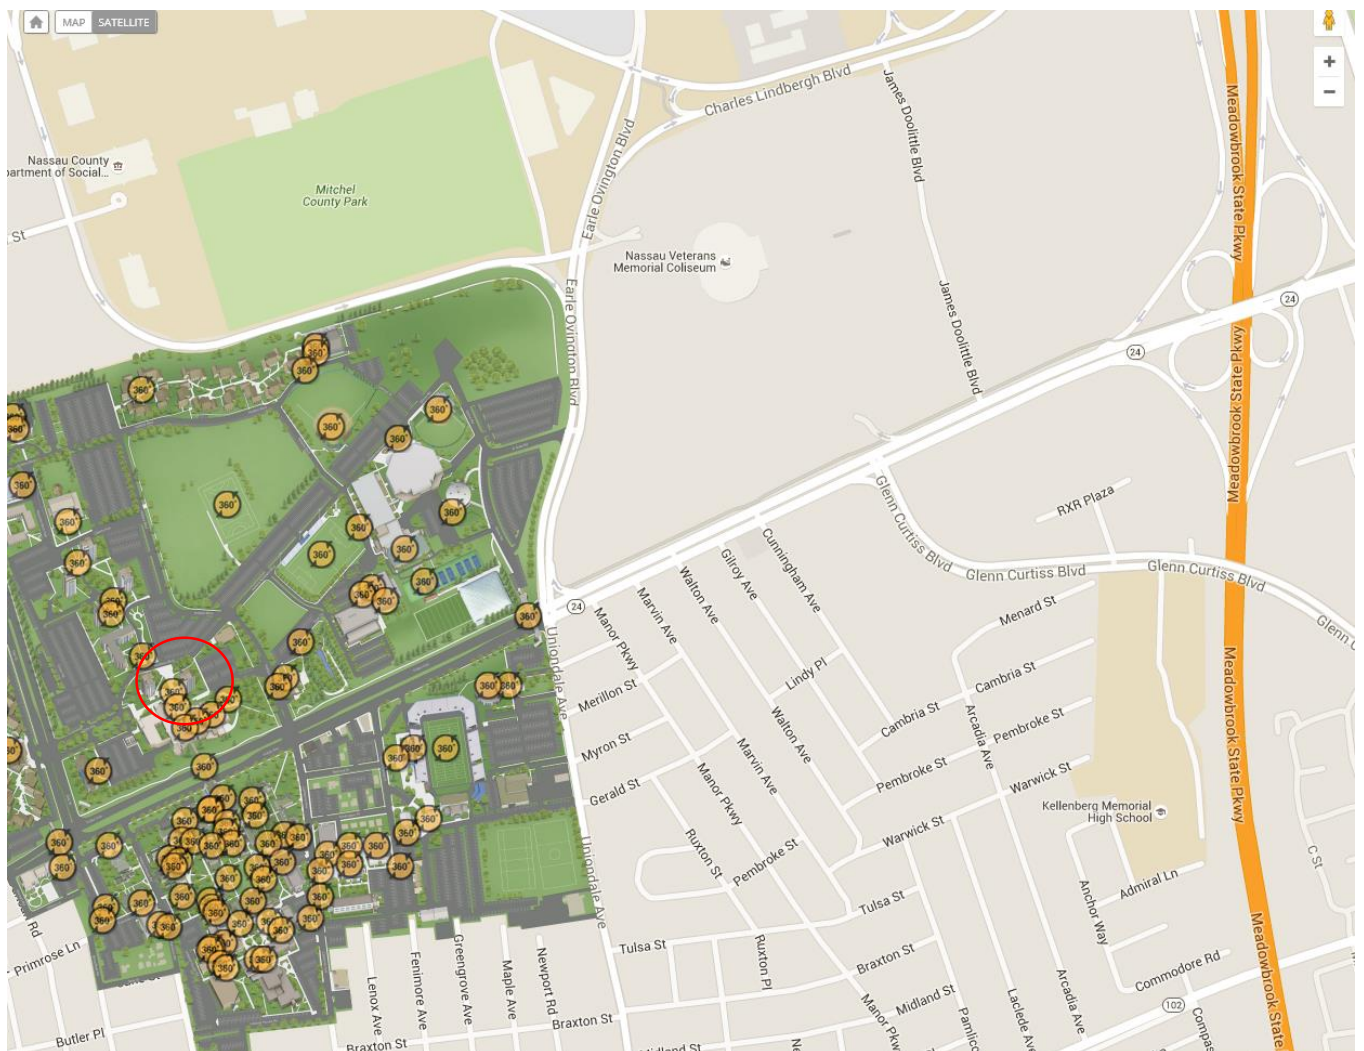

Should be finished about 8:30

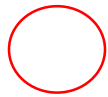

Please let me know if your plans change or if you would like to bring additional people.

Also, please see maps attached, but let me know if you need additional directions.

Thanks,

Dave Paris
