Mr. Rich Knoll
DDC Vice President for
Aerospace Development**

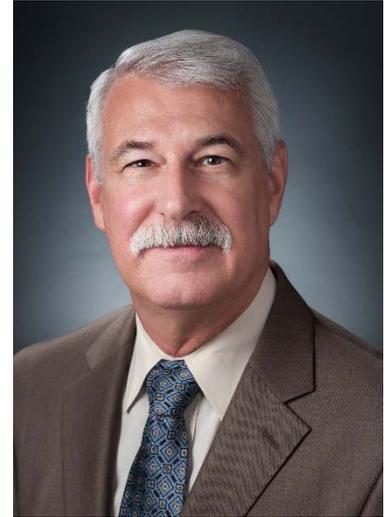

Location

China Garden Buffet
112 Woodman Dr.
Dayton, OH 45431

Buffet will be available for
purchase.

Mr. Knoll enjoyed a 32 year career as an Air Force civilian engineer, logistician., program and portfolio manager. His AF assignments included service as a microelectronics design engineer, Chief Engineer for the A-7 and A-10, Deputy System Program Director for the Reconnaissance SPO, the B-1 and the F-22, System Program Director for the F-117, and Director of the

Mobility Wing. Since his retirement from the Air Force he has worked for both large and small businesses in the local area. He is a graduate of California State University and the Massachusetts Institute of Technology. He is an AIAA Associate Fellow and a life member of both the Air Force Association and the Senior Executives Association. He currently serves as the President of the Defense Planning and Analysis Society.

The Dayton Development Coalition is a non-profit organization dedicated to the economic development of the Dayton region. As the DDC Vice President for Aerospace Development, Mr. Knoll works to strengthen the aerospace, manufacturing and cyber presence in the Dayton region. Mr. Knoll will outline the resources and challenges associated with this effort, and describe some of the initiatives the Dayton Development Coalition is undertaking on behalf of our region.
