**Chairman's Report/Honors and Awards – Dean Miller**

- Due to the Coronavirus shutdown, there have been no inside council meetings. There was a Zoom RAC VI meeting Dec 28, 2023 and another Zoom RAC VI meeting January 5, 2023. The minutes of the RAC VI January 6, 2023 meeting are attached at the end of this report. Oleg mentioned that AIAA is having financial issues. Our AIAA annual section fees this year were about 10 % of the usual amount. I hear this is going to last a few years. Corinne and Melissa have brought this up about our STEM essay contest. They suggested for this year we should go ahead with the contest this year and make the awards a total of \$1000 instead of the \$2000. I was also thinking the same of having the contest and the total awards of \$1000. Are there any comments or suggestions from the other council members?

**Treasurer's Report– Melessa Onishi**

- There is \$2738 in the bank. The AIAA financial issues are discussed in the Chairmen's report. Budget looks OK. Melissa, if you would send me a balance each month, I would appreciate it. Thanks!

**Membership Report- Ryan Reynolds**

Membership 2022-09

- 272 Professionals (+1 from August)
- 21 Educators (No change from August)
- 66 College Students (-1 from August)
- 60 High School Students (No change from August)

Statistics/Observations 2022-09

- 31 membership reminders sent this month
- Total Section Population is 419
- With 60 High School Students, we have more High School members than any other Section in our Region VI. (We are 6<sup>th</sup> place for Professional members.)

**Precollege Outreach/Web Site – Corinne Cho**

The AIAA San Fernando Pacific Section, which represents the San Fernando Valley, Ventura County, and Hawaii, sponsors an annual essay scholarship contest for graduating high school seniors who plan on a career in a STEM field. As mentioned in the Chairman report, we are

planning on this year's essay contest, but the total awards is \$1000 instead of the usual \$2000. This is due to AIAA budget issues. See also the AIAA RAC VI minutes at the end of this section report.

## Unfinished Business

We're looking for new speakers/subjects and tours. We have been hampered lately by the coronavirus. We need to work on getting more members for the meetings and tours. The meetings with ASME and students are helping. The next status report is planned for February 2023.
