Chairman's Report/Honors and Awards – Dean Miller

- Due to the Coronavirus shutdown, there have been no inside council meetings.
- Jim Brown has agreed to be our speaker October 26, 2023 on Russian Fighters. It will be another Zoom meeting.
- We are talking to Ampaire Electric Aircraft, electric airplanes, about another speaker.
- We have been trying to set up a tour at JPL, but haven't had any success yet.
- There is a face-to-face RAC VI meeting September 16, 2023 in the LA region. I plan to attend. I'll try to find out about the AIAA funding for this year.
- Here are the council members photos and e-mails:

The AIAA San Fernando Pacific Section, which represents the San Fernando Valley, Ventura County, and Hawaii, sponsors an annual essay scholarship contest for graduating high school seniors who plan on a career in a STEM field.

Unfinished Business

We're looking for new speakers/subjects and tours. We have been hampered lately by the coronavirus. We need to work on getting more members for the meetings and tours. The meetings with ASME and students are helping. The next status report is planned for October 2023.
