Precollege Outreach/Web Site – Corinne Cho

The AIAA San Fernando Pacific Section, which represents the San Fernando Valley, Ventura County, and Hawaii, sponsors an annual essay scholarship contest for graduating high school seniors who plan on a career in a STEM field. We're looking for subjects for next years essay contest.

Unfinished Business

We're looking for new speakers/subjects and tours. We have been hampered lately by the coronavirus. We need to work on getting more members for the meetings and tours. The joint meetings with ASME and students are helping.

Next meeting: Status Report September 2022.
