## **Annual St. Louis Section Honors & Awards Event**

The Annual Honors & Awards Event is our opportunity to recognize the achievements of selected local individuals and organizations for their aviation and space endeavors over the past year. In addition, we present our newly elected section Chair, Vice-Chair, Secretary, Treasurer, and Region V Representative.

Our invited guest speakers are Bret L. Heinrich, President and CEO, and Tiffany Nelson, Director of Programs and Evaluation/Young Ambassadors Liaison, for Wings Of Hope, Chesterfield, MO. Wings of Hope is a global humanitarian nonprofit organization that has been helping the world's most vulnerable communities since 1962. WOH's changes and saves lives through the power of aviation.
