

AIAA St. Louis Section Award Nominations

Nominations for 2023 AIAA St. Louis Section Awards are open now through ***April 15***. Nominations should be submitted to the undersigned committee members. Please provide the nominee's name and contact info, along with your rationale for the nomination. Awards will be presented at the annual Honors and Awards Dinner.

The AIAA Saint Louis Section Awards include:

- **Civic Service Award:** In recognition of an outstanding contribution to the progress of aerospace activities in the St. Louis area.
- **Educator Associate Member Award:** In recognition of outstanding contributions to K-12 STEM activities by an AIAA Educator Associate Member.
- **Faculty Award:** In recognition of a faculty member who has provided outstanding support to an AIAA student branch and individual student members at his/her university, or provided outstanding education to his/her students in the aerospace sciences through innovative curriculum or instructional methods.
- **Lindbergh Award:** In recognition of a distinguished contribution in applying aerospace technology to improving the quality of human life.
- **Section Service Award:** In recognition of an outstanding contribution to the section's activities by an AIAA section member.
- **Technical Accomplishment Award:** In recognition of outstanding technical research or technical accomplishment in aerospace sciences by an individual or team.
- **Technical Management Award:** In recognition of an outstanding accomplishment in technical management in aerospace sciences.
