Storyboard
Storyboard is a visual representation of a story or a sequence of events. It is used to plan and organize the content of a story or a presentation. The storyboard is divided into panels, each representing a scene or a part of the story. The storyboard is a useful tool for students to develop their writing skills and to organize their thoughts.

Storyboard Rules

1. Use complete sentences.
2. Put the events in order.
3. Add a 2 details for each part of the graphic organizer.
4. Make it sound and look like a story.
5. Use the graphic organizer to help you write your story.
