

Scramble for the Skies

Scramble for the Skies: International Scramble for Control of Outer Space

Dr. Goswami discusses:

- Strategic Cultures and Expected Behaviors of Space Powers
- Fundamental shift (of Cold War) from Nuclear and nation's Prestige to Primacy of Economic Expectations
- Future Space Competition and Nations scrambling for space resources to maintain Strategic Position
- Scale of Space Resources, impact on National Power and why Nations are paying attention to Space
- Scenarios of Future Conflict leading to different Space Regimes
- Case Studies of Nations (U.S., China, India) expected have largest GDP circa 2050
- Roles of Active Middle Powers (UAE, Luxemborg)
