NMUSAF Tour from an Intelligence Perspective

What:

This is no ordinary museum tour! Mr. Rob Young is the historian at the National Air and Space Intelligence Center. After 17 years as a scientific and technical intelligence historian at NASIC, Rob offers unique insight into the history of intelligence and threat systems in modern warfare. A true history enthusiast, Rob guides tours through the National Museum of the U.S. Air Force that focus on the evolution of air intelligence and the contributions of the people and the systems that are displayed there. His tour takes about 3 hours and comfortable shoes are recommended.
