

2019 AIAA St. Louis Section Scholarship

Administered by the AIAA St. Louis Council

OBJECTIVE

The AIAA St. Louis Section will award up to two (2) scholarships of \$1,500 each to students who have demonstrated high standards of academic excellence in the “STEM” fields of science, technology, engineering, and mathematics with a focus on aerospace (aircraft, missiles, spacecraft, and satellites) studies/interests.

ELIGIBILITY

The following eligibility requirements shall be met by applicants for the AIAA St Louis Section Scholarship:

1. Applicant must have completed at least one academic term of full-time college work and will be a full time undergraduate student during the next academic year at any accredited college or university.
2. Applicant must have a college grade point average of not less than the equivalent of a 3.00 on a 4.00 scale.
3. Applicant shall be enrolled in a program of science, technology, engineering, or mathematics with a focus in aerospace.
4. Applicant must be a current student member of AIAA (nationally enrolled).
5. Applicant must be either:
 - a) a resident of Missouri— or —
 - b) a student at one of the four (4) active student sections within the AIAA St Louis section:
 - 1) Missouri University of Science and Technology
 - 2) Saint Louis University
 - 3) University of Missouri at Columbia
 - 4) Washington University in St Louis
6. Applicants may be students of any nationality, not restricted by the U.S. State Department.
7. Complete applications must be received by the 30 April due date. Incomplete application packages will not be considered.

SELECTION CRITERIA

The recipients of the scholarship awards will be selected on the basis of the following criteria, which are listed in order of importance:

1. *Scholarship*

This criterion shall be evaluated on the basis of the applicant’s grade point average or its equivalent. A grade point average of not less than 3.00 is required. You must submit your official college transcript(s) to be eligible. Transcripts must include the most recent fall term.

2. *Recommendations*

Each applicant must include two letters of recommendation (no more). One letter of recommendation must be from a current or former professor. The other can be from a supervisor or from a current or former teacher/professor.

3. *Need*

Each applicant must provide an indication of the total amount of loans outstanding. This amount will be normalized based on years completed (rounded up). Hours worked/week will also be considered.

4. *Essay*

This criterion will be evaluated by assessment of a 500–1,000 word typewritten essay. The essay will be related to the field of aerospace and will include reasons for desiring this scholarship.

5. *Work/Extra Curricular Activities*

Based on Internships, Work and Extra Curricular Activities listed in Application.

6. *Aerospace / AIAA Involvement*

This criterion shall be evaluated on the applicant’s course work in aerospace engineering (as determined from transcripts), length of membership in AIAA, and involvement in AIAA leadership activities. A statement of involvement from the AIAA student branch chair is required.

SUBMISSION PROCESS

Applicant must submit the application and all materials in a single package. Letters of recommendation and AIAA statement of involvement need to be in a separate individual sealed and signed envelope and on university or corporate letterhead.

Two methods of submission are available. To ensure the submission has been received, it is recommended to utilize both means.

Electronic submission: Send the complete submission package to: frank.w.youkhana@boeing.com

Hardcopy submission: Send the complete submission package to: The Boeing Company
