## Call for Abstracts and Registration

All presenters and interested attendees may now register for the conference at the website below.

Technical 15 minute presentations in any area of interest to the aerospace community by Young Professionals (age 35 and under), Graduate, Undergraduate, High School Students and Educators are sought.

Featuring Keynote Speaker,

**Dr. Sandra Magnus**

Former NASA Astronaut and  
AIAA Executive Director.  
Current Deputy Director of  
Engineering in the Office of  
the Secretary of Defense for  
the Undersecretary of  
Research and Engineering.

One-page abstracts are requested from  
prospective presenters.

Please register on our website at  
[aiaaypse.com](http://aiaaypse.com)

Abstract Deadline: **Sept 25, 2020**  
Registration Deadline: **Oct 1, 2020**

Registration is required for presenters and  
attendees. Passwords to access the conference  
proceedings will be distributed only to those  
registered.

Please note, proceedings of the conference are not  
published; therefore, papers presented elsewhere, or  
planned to be presented elsewhere, are acceptable. All  
abstracts will be released to conference attendees. The  
conference sessions are unclassified and open to the public;  
authors whose presentations are the result of sponsored  
research are requested to obtain clearance from their  
sponsors or organization. Complete papers are not required.
