

## AIAA Illinois Section

September 1, 2023

Attn: Illinois Section

Dear AIAA Illinois Section Members,

The Rockford Area Aerospace Network (RAAN) will be hosting the Midwest Aerospace Conference in Rockford, Illinois on September 20, 2023, to showcase the aerospace community in north central Illinois and surrounding areas.

This exciting one-day event will include speakers from:

Woodward Inc, Collins Aerospace, Pratt and Whitney, Aerodynamic Advisory, IMEC and NASA

With panel discussions led by:

Woodward, Collins, Textron and IMEC

Location Details:

Embassy Suites by Hilton (Rockford Riverfront)  
416 South Main Street  
Rockford, IL 61101

I encourage members from our Illinois section to join the MAC to learn more about what Illinois has to offer and support Illinois Aerospace. Come visit the Woodward booth for additional information.

See attachments for further details.
