

AIAA Illinois Section

November 5, 2023

Attn: Illinois Section
Honors and Awards
2024 Associate Fellows

Dear AIAA Illinois Section Members,

The Illinois Section would like to recognize the following Illinois Section members to the incoming 2024 Class of AIAA Associate Fellows.

Phillip Ansell, University of Illinois Urbana-Champaign, *For scientific contributions to air vehicle aerodynamics, innovative developments in aircraft power and energy systems, and excellence in education of the future aerospace workforce.*

Scot Campbell, Airbus, *For global leadership in unmanned aircraft system traffic management development, digital airspace technology, and development of extensive simulation capability to analyze future airspace needs.*

The Illinois Section extends its congratulations to Phillip and Scot.

Sincerely,
Andrew Touvannas
