Join the AIAA Region V Young Professionals for an evening of Trivia!

Enjoy an evening of virtual trivia with your fellow AIAA Professionals! This event, sponsored by our neighboring AIAA Region V Young Professional Committee, is free to participate and open to everyone. Sign up with friends as a team or join the open 'HRS Team' during registration.

From the event organizers:

Remember the good old days, when you could talk amongst your team to come up with the answer? Well, they're back! Compete against your peers solo, or as part of a team. Each team will have a private breakout room to discuss answers, the newest streaming shows (or whatever else you've been up to while confined), and industry news. Questions will be asked live, and answers recorded using the Speed Quizzing Live Application. Prizes will be awarded for the first and second place teams!

– Chris Stevens, Region V Deputy Director, YP
